Dear Mr. McMahon:

Please reference your July 19, 1984, letter concerning sensitive compartmented (SCI) programs access for U.S. General Accounting Office (GAO) employees.

As requested, we have reviewed the listing of GAO employees who currently have access, and have determined that all individuals except Charles C. Wheeler need to be retained on GAO's roster. We have recently been notified by your agency that Mr. Wheeler's SCI access has been transferred to the House of Representatives, Committee on Government Operations where he is now employed.

Action has been initiated to process new background investigations on Messrs. Boker, Kyhn, Moses, Reed, Reid, and Thomson. Upon completion of these investigations, we will immediately notify you of the updated clearance and investigative information.

If you have any questions or concerns, please do not hesitate to contact me on 275-5518.

Sincerely yours,

*Frank C. Conahan*
